

SUPERVISORIAL CANDIDACY OF ROBT. C. AVERY

Robert C. Avery, candidate for Supervisor, is a native of New York, a resident of this state twenty-eight years, of the county eleven years, and of the district seven years. As principal of Pompey Academy, near Syracuse, N. Y., he followed that vocation for five years, was admitted to the bar in New York and later in California, but chose a business rather than a professional career.

Coming to this state he engaged in mercantile business at Redlands, developed orange property near Riverside where he is still raising oranges, and was active as an organizer and director of packing and shipping interests in connection with the California Fruit Exchange. Acquiring property in Orange County, he became a member of the California Walnut Growers' Association. He was a charter member of the University Club of Redlands, an active member of the City Club of Los Angeles for several years, is a Mason, Knight of Pythias, and an active member of the Presbyterian Church.

His son, Clark M. Avery, is captain in the American Army of Occupation, Coblenz, Germany. Mr. Avery is known as a temperance worker and was detailed by the president of the State Temperance Federation of Arizona for the "dry campaign" in that state. He was Superintendent of Construction and Operation for Long Beach during the most active period of that city's development and demonstrated capability of administering the duties and responsibilities of Supervisor for this county.

In presenting the candidacy of Mr. Avery, his friends believe he can prove himself in a hearing before the voters of this district and urge that he be given opportunity to confer with or address civic organizations or called meetings for that purpose. Address him personally at 821 Chestnut avenue or the undersigned in this connection.

EASTERN VISITOR DIES HERE

Mr. W. D. Kesselring, connected with the Denver Gas & Electric Company of Denver, Colorado, died July 6, 1920, at 15055 Vermont avenue, Strawberry Park. Mr. Kesselring, with his wife, had been visiting his two sisters and mother the past month. Our sympathy is extended to his bereaved wife and mother, Mrs. Kesselring, and sisters, Mrs. Roy Staples and Mrs. Percy Neale.

MRS. STRICKLIN RETURNS FROM EASTERN TRIP

Mrs. A. E. Stricklin and daughter, Ardith, returned June 29 from an extended Eastern trip, during which they visited Chicago, Baltimore, Washington, D. C., and Mt. Vernon. Returning they visited Tyrone, Penn., where Mrs. Stricklin visited cousins, and then on to Chicago, Denver, the Royal Gorge and San Francisco. While at Washington they attended a session of the U. S. Senate.

Mrs. Carl E. Krugmeier and baby son, daughter of Mrs. Stricklin, returned with her. Mrs. Kingmeier's husband, a well-known physician of Chicago, expects to join his family here in August, and will engage in the practice of his profession.

ELWYN SHANNON MARRIED IN NORTH

The many friends of Mr. Elwyn C. Shannon will be pleasantly surprised to learn of his marriage on April 14 at Ottawa, Canada, to Miss Bessie Smyth of that city. On account of the serious illness of his mother, announcement of the marriage was postponed.

Mr. Shannon was graduated from Gardena High in 1919 and went to Ottawa shortly after graduation, and has been with the Ottawa Journal, where he has been promoted a number of times during the past year. His mother has been with him in the North, and has been seriously ill the past five months with the "flu." As soon as she is able to travel, they expect to come to Gardena.

While in Gardena Mr. Shannon made his home with Mr. and Mrs. Chas. P. Hall and was a great chum of their son, Alva.

The Reporter joins with his many friends in congratulating Mr. and Mrs. Shannon.

WOMAN'S AUXILIARY

The Woman's Auxiliary will meet with Mrs. Jessup on Vermont avenue, Monday evening, July 19, at 8 o'clock. Every member is asked to be present. All of the executive committee come at 7:30, as there is important business.

MEANS CELEBRATES THIRTY-FIFTH ANNIVERSARY

The thirty-fifth birthday anniversary of one of our progressive and rustling business men, Mr. E. H. Means, was most pleasantly celebrated by the family and a few friends on Thursday, July 8, at the family residence on Strawberry Park avenue. The most delicious viands from the home garden, prepared as the best of home cooks can cook them, were served at a three-course supper, where fried chicken, new potatoes, corn and peas were features that only the home gardener seems permitted by old Hy-Cost-o-Livin' to enjoy. A birthday cake of generous proportions and, oh so delicious, was graced by five candles, which one of the guests announced as the number of Mr. Means' years.

After the supper the evening was joyfully spent at cards.

The guests were Mr. and Mrs. E. A. Tepper and two children, Mr. J. C. Owens and Miss Bessie Martin of Los Angeles, Mrs. Means' mother, Mrs. Hooten, and brother, William Hooten, of Los Angeles.

GARDENA BASEBALL NEWS

The Gardena Merchants were defeated last Sunday by the fast B. H. Dyas Company team from Los Angeles. The Gardena boys played excellent ball, but, owing to not having played for two weeks, they did not play the game that they are capable of.

Beck pitched a far better game than the Dyas pitcher, but a few errors at critical times let in the winning runs.

Next Sunday, July 18, Gardena plays the Hawthorne Merchants from Los Angeles. We beat this team once and feel fully able to turn the trick again. Come out and root.

To stop a leak, mix whitening and yellow soap into a thick paste with a little water. Apply this to the place where the leakage is, and it will be instantly stopped. A visit from the plumber will still be necessary, but there is no special hurry for more radical repairs.

It is sometimes difficult to keep the kitchen paper free of greasy stains. They may be removed entirely if a mixture of pipe clay and water made the consistency of cream is spread over them and allowed to remain over night. In the morning it should be removed with a clean brush or cloth.

SUPERVISORIAL CANDIDACY AND PLATFORM

Reason and not money should select a supervisor. Good business and not old-time politics should be the method. Law observance, justice in law enforcement and constructive legislation should be the result. On that platform I stand as a candidate for Supervisor in the Fourth District, glad of the opportunity to confer with or address civic organizations or called meeting of citizens and voters, that my candidacy may be understood.

THE HOME OF GOOD CANDIES

If in need of anything, come and see what we have.

DRINK HOT TEA FOR A BAD COLD

Get a small package of Hamburg Brest Tea at any pharmacy. Take a tablespoonful of the tea, put a cup of boiling water upon it, pour through a sieve and drink a teaspoon full at any time during the day or before retiring. It is the most effective way to break a cold and cure grip, as it opens the pores of the skin, relieving congestion. Also loosens the bowels, thus driving a cold from the system.

Try it the next time you suffer from a cold or the grip. It is inexpensive and entirely vegetable, therefore safe and harmless.

RUB BACKACHE AND LUMBAGO RIGHT OUT

Rub Pain and Stiffness away with a small bottle of old honest St. Jacobs Liniment

When your back is sore and lame or lumbago, sciatica or rheumatism has you stiffened up, don't suffer! Get a 30 cent bottle of old, honest "St. Jacobs Liniment" at any drug store, pour a little in your hand and rub it right into the pain or ache, and by the time you count fifty, the soreness and lameness is gone.

Don't stay crippled! This soothing, penetrating oil needs to be used only once. It takes the ache and pain right out of your back and ends the misery. It is magical, yet absolutely harmless and doesn't burn the skin.

Nothing else stops lumbago, sciatica and lame back misery so promptly!
